

Job Title: Skills Coach	Pay Grade: £27000- £29,000
Normal Place of Work: Hull College Group and on employers' premises	Line Manager: Team Leader
<p>Role Summary: The post holder will be required to recruit, induct, train, review, assess, monitor and track learners working in the relevant vocational field primarily, but not exclusively on employers' premises. The post will involve contributing to the marketing, development, delivery, assessment and evaluation of Apprenticeship programmes to meet market needs and contractual targets and performance criteria.</p> <p>The post holder will be expected to deliver Apprenticeship standards where they are available and will be responsible for coaching learners to achieve skills, behaviours and knowledge to pass their Apprenticeship to a distinction level wherever possible.</p> <p>The post holder will maintain a minimum funded learner case load, in line with HCUK policy and to be agreed with the line manager based on the particular sector subject area(s), the type of employment placement and geographical spread of students.</p> <p>This role will also be required to undertake Internal Verification duties.</p>	

Principal Accountabilities:

1. Provide appropriate information, careers advice and guidance on work based programmes to learners, employers, agencies and prospective learners.
2. Recruit learners onto programmes through new business activity and effective maintenance of current business relationships.
3. Contribute to regional and cross-regional promotional events and local college open events as required.
4. To conduct Health and Safety vetting of placement settings in line with HCUK policy and ensure employers and learners are provided with necessary information on: health and safety, equal opportunities, programme content, programme delivery and assessment arrangements.
5. Work with employers to identify learning needs and work with the business development to manage client relationships effectively, maintaining the HCUK CRM system.
6. Deliver learning, training, coaching and assessment on work related programmes to meet the needs of employers and learners and to the standards set by awarding bodies or end point assessment organisations.
7. Review and monitor learner progress against the contract, framework or standard, ensuring completion and achievement of all elements including Functional Skills to ensure either framework is achieved or end point assessment is taken and passed timely.
8. Individualise programmes to meet the needs of employers to ensure learners develop new skills, knowledge and behaviours which impact positively for the employer.
9. Use electronic portfolio system and student records systems to record learner interventions, reviews, upload work and progress and 20% off the job training
10. Embed Functional Skills into delivery to ensure all learners are stretched and challenged appropriately and develop English and Maths skills even where this isn't a requirement.
11. Complete relevant documentation concerning monitoring visits, in accordance with HCUK and funding body requirements.
12. Appropriately embed British Values and the prevent duty within programme delivery.
13. Track and record learner activity to meet HCUK, funding and awarding body requirements.
14. Participate as a full member of the programme team and contribute to the development, promotion, review and delivery of programmes including standardisation meetings and self-assessment.

15. Cross market HCUK provision to employers/employees in relation to workplace learning and full cost recovery.

Key Relationships

The post holder will be expected to develop and maintain good relationships with:

• Head of Apprenticeships	To support HCUK strategy and to work consistently to achieve the service standards within the department.
• Colleagues / Learners	To support and to assist the development of a professional learning environment.
• Sales & Recruitment	To develop close working relationships with the Sales and Recruitment team, Business Consultants and Recruiters.
• Employers	To develop professional relationships with local employers to deliver an effective service and enhance future business development.
• Quality Team	To work closely with the Quality team to support any necessary improvements to learning, teaching and assessment.

Generic Responsibilities

- To represent and promote the College brand values internally and externally; acting as an ambassador for business development on behalf of the College
- Ensure that the College's internal customers receive an excellent customer service experience in all dealings with the service
- To deliver your day to day duties consistently with the service level agreement
- Promote the College's student first ethos, ensuring that the student experience is uppermost in policy implementation
- To act as a champion for change and improvement and constantly enhancing quality
- To contribute to the annual quality review of the service and the programme of continuous improvement
- To actively promote and act, at all times, in accordance with College policies, e.g. Health and Safety, Equal Opportunities and Safeguarding
- To actively promote and adhere to agreed College values
- Promote innovation
- To contribute to delivering the College's internal communications strategy, playing a supporting role in ensuring that communications are high quality and that our workforce is respected
- To take an active role in marketing activities including advice and guidance of students, and attendance at promotional events e.g. Open Evenings / Days, Careers events
- To participate in the College Annual Staff Performance and Development Review (ASPDR)
- To undertake other reasonable duties commensurate with the level of post
